Labor prices submitted are "Not-to-Exceed" for turnkey services through the Tandus Centiva / Source One® Department.

Carpet labor pricing is for projects of 500 s/y or more. Smaller projects could require additional "minimum" costs.

LVT/VCT labor pricing is for projects 1000 s/ft or more. Projects smaller than 1000 s/ft, or installations involving patterns could require additional costs.

Payment and Performance bond costs are not included in pricing.

On Turnkey projects, Tandus Centiva will invoice for material as it ships (or as phased), and labor as it completes. Each invoice is due Net 30 days after invoice date (subject to credit approval).

Storage is included for 35 days without cost. Longer duration storage could be at additional costs.

Additional items and services may be available through Tandus Centiva / Source One® at competitively negotiated pricing.

The above pricing may not include all project administration and execution costs. A turnkey services fee could be added to each project to cover the cost of administering the turnkey program.
